A TYPICAL DAY AT... BBS DAY CAMP ELEMENTARY AGE

JACK is 9 years old and will be entering grade 3 in the fall.

Each morning, Jack and his younger sister greet friends, play a collaborative game or work with their cabin groups on a challenge before heading to their first activities of the day. Today, Jack's group starts with Music & Movement, where they fill glasses with water to create different pitched notes.

Jack's patient and encouraging swim instructors have helped him grow more confident in the water as they work with him each morning. He swam across the full length of the pool for the first time this summer!

Jack sees his sister again at lunch, then moves on to Team Sportsmanship. He races through agility drills with his cabin group, and even though Jack isn't the fastest, he still helps his team to victory!
